

North Slope
Oil Pollution Response

Ed Thompson
BP Exploration, Alaska

AOGA *Looking Ahead*

Areas for Discussion

- How the N. Slope climate and geography affect spill response.
 - Adapt and overcome
- How we prepare to respond.

AOGA *Looking Ahead*

Effects of Climate and Geography

- Cold
- Windy
- Ice
- Spring thaw

Adapt and overcome

AOGA *Looking Ahead*

Adapt and Overcome

Oil spill response is possible in the arctic

Alaska Clean Seas is the expert

AOGA

Looking Ahead

Adapt and Overcome

Oil spill response is possible in ice infested waters

AOGA

Looking Ahead

How We Prepare

- Weekly SRT training
- Annual MAD
- Village Response Teams
 - Local knowledge

AOGA

Looking Ahead

How We Prepare

Realistic Conditions

AOGA

Looking Ahead

How We Prepare

A vigorous R&D program

AOGA

Looking Ahead

How We Prepare

We test it before it goes in the plan
