

Since ACES, production
has plummeted
140,000 barrels/day
It's time for a change.

Work Together. **WIN** Together.

Action Alert!

Show your support for Gov. Parnell's #1 economic priority – Meaningful reform to Alaska's oil tax structure to increase oil production.

When: 6 – 8 p.m. Tonight! Wednesday, Feb. 29.

Where: Your local Legislative Information Office. [Click here](#) for statewide locations.

Why: The Senate Resources Committee has proposed [SB 192](#) and will hear from the public. Your voice is important. As the Governor puts it, "Unless we act to reverse this (oil) decline, we will pay a stiff price in lost jobs, lost State revenues and lost opportunities. This is not the future our children deserve, and this is not a future we will accept."

If you can't testify in person, send an e-mail to your legislators. You can find out who our representatives are and how to contact them by [clicking here](#).

AOGA testified on SB192 yesterday. [Click here](#) to read the testimony.

Let's **Work Together** to **Win Together**.

Meet Bonnie Smith

As the Health, Safety and Environmental Manager for Pioneer Natural Resources, Bonnie Smith knows a thing or two about workplace safety and mitigating risks.

In an effort to help educate Alaskans about the impact of high oil taxes on the Alaska's business environment, Bonnie is appearing in a series of advertisements on behalf of the Alaska Oil and Gas Association (AOGA).
