Learn more about Ballot Measure 2

"It is not the simple restoration of the expired ACMP. It is not a balance of interests. It is not pro-development. It does not serve Alaska's needs," says Representative Mike Hawker ([ADN 8/18/12](#)).

Fairbanks Daily News Miner says ACMP is a legislative issue, and is too complex for the ballot box ([Editorial, 8/12/12](#)).

Campaign Co-Chair Kurt Fredriksson says "Ballot Measure #2 is coastal management in name only, and is nothing like the previous state program," ([Juneau Empire, 8.21.12](#)).
